

# LANCE LIU

## FRONT END WEB DEVELOPER

### Dear hiring manager,

With a strong interest to pursue a career as a front-end developer, I am writing to express my interest to join your organisation. Throughout my experience, I have developed and refined my development skills using React and Node.js. I have completed and deployed several e-commerce systems using various technologies and delivery methodologies.

### Experience & Knowledge

#### Experience

- SDLC: Agile, TDD
- Design and implementation of e-commerce systems

#### Personalities:

- Strong passion to learn new technologies and learn fast;
- Strong analytical and problem-solving skills: Able to analyse requirements thoroughly and consider all options before creating software designs and implementing appropriate solutions;
- Well-developed verbal and written communication skills with proven capability to write reports, document procedures and train end-users.

Please contact me if your company needs developer positions.

Thank you for your time.

Sincerely,

*Lance Liu*
