Dear Team

With a strong interest to pursue a career as a full-stack developer, I am writing to express my interest to join your organisation. Throughout my experience, I have developed and refined my development skills using React and Ruby on Rails. I have completed and deployed several projects using various technologies and delivery methodologies.

Personalities:

- Strong passion to learn new technologies and learn fast

- Strong analytical and problem-solving skills: Able to analyse requirements thoroughly and consider all options before creating software designs and implementing appropriate solutions

- Well-developed verbal and written communication skills with proven capability to write reports, document procedures and train end-users.

Please contact me if your company needs developer positions.

Thank you for your time.
